VI International Congress of Women LIFTING THE FLIGHT

Presented by:

Jacqueline Tineo

CEO Foundation of Woman to Woman

¿Why Lifting the Flight?

Every day we, women, face our fears and we get up to support each other. Our greatest strength lies in lifting each other up, we recognize the greatness of each woman, we value and recognize her. All this is fundamental for our personal, spiritual and Business.

Why in November? It is during this month that we remember the vile murder of the Mirabal sisters in the Dominican Republic for defending women's rights on November 25, and their dedication towards women living free of violence was declared by the UN as the International Day of No Violence against Women.

Our basis for the defense of women, their visibility and recognition is consolidated in this premise.

FOR THE FOUNDATION, EVERY WOMAN IS GREAT, IT IS OF UTMOST IMPORTANCE TO RAISE AWARENESS FOR OURSELVES AND IN SOCIETY.
